Education

Kiet Group Of Institution

B.tech in Computer Science
CGPA : 7.74

Aug 2021 – Jun 2025

Ghaziabad, Uttar Pradesh

Professional Experience

Technocrats

Feb 2022 – Present

Mentor and Lead

Ghaziabad, Uttar Pradesh

- Conducted hands-on bootcamps on MERN Stack, JavaScript, and Git, while mentoring multiple students on technical projects, career development, and best practices in software development.
- Organized and facilitated multiple Mentor Connect Events, collaborating with industry professionals to provide personalized guidance and insights to students.
- Led the design and development of the Technocrat Club website, working with a team to enhance the club's outreach and support its mission of fostering technological growth.

Projects

CollegeSearch - Link | Node/Express, React , Redux, MongoDB, REST Api, Tailwind Mar 2024 - Present

- Implemented OTP-based sign-up via email, enhancing platform security and reducing spam.
- Developed features for one-to-one mentorship, comprehensive college information, meeting booking and cancellation, and seamless payment integration through platforms like Razorpay and Stripe.
- Designed a robust Admin Portal for managing colleges, mentor sessions, course details, and user activities such as likes, wishlists, and transactions.

ShopHere | Reactjs, Redux, ContextApi, REST Api, Auth0 , Git

Source Code

- Developed a robust shopping website with 1000+ products, featuring 4+ advanced filters for precise searches by price range, category, color, and company, along with a user-friendly search feature.
- Engineered an intuitive shopping cart system, empowering users to effortlessly perform 3 critical functions: adding, subtracting, and deleting products, all while ensuring real-time automatic subtotal updates.

MemoirMoments | React. js, Redux, Express, MongoDB, REST Api, googleAuth, Git

Source Code

- Developed a dynamic platform with engaging features like 'like' counts, comments, and user-generated posts, fostering active user interaction and facilitating content curation.

Technical Skills

Languages: Java, JavaScript, SQL, Html, Css, Ejs

Libraries / Frameworks: React Js, Redux, React Router, Express, Node Js, Next Js, Tailwind, Bootstrap

Databases: MongoDB, MySQL, Redis

Developer Tools: Git, GitHub, Docker, REST Api, Vs Code, Chrome Dev Tools, React Developer Tools, Canva

Leadership / Extracurricular

- Participated and excelled in over three Model United Nations (MUN) conferences, achieving two wins and honorable mentions at KIET MUN 2023. This highlights my adeptness in diplomacy and strong communication skills.
- Organized bootcamps and events as a key leader in the development domain, connecting with mentors and teaching juniors to foster a culture of knowledge-sharing and technological growth.
- Regularly participated in hackathons, earning special category awards at Gautam Budh University for a resume builder project developed using EJS and JavaScript.
